Space Between Wellness Coaching Agreement

This agreement outlines the terms and intentions of our coaching partnership. My role is to walk alongside you as a guide — offering insight, tools, and reflection to support your self-development journey.

This is a collaborative process grounded in curiosity, clarity, and care.

Scope of Service

- This is a coaching relationship, not therapy or clinical treatment.
- Our focus is personal growth, emotional well-being, mindset, and aligned action.
- All services are trauma-informed, strengths-based, and non-judgmental.
- Coaching may include reflective discussion, somatic awareness, mindfulness or regulation techniques – always optional and adjusted to your comfort level.

Sessions & Scheduling

- This agreement covers your selected coaching package, whether a Single Breakthrough Session, a 3-Session Coaching Series, or a Coaching Program.
- Session duration and structure will be outlined in your welcome email and onboarding form.
- Sessions are delivered via Zoom or in person (location to be agreed upon).
- Reschedules require at least 24 hours' notice.
- Missed sessions without notice may be forfeited.
- Packages are to be used within 3 months of purchase unless otherwise agreed.

Communication

- All communication regarding session scheduling or follow-up will occur through the agreed booking platform or email.
- Coaching support is provided during sessions, followed by a post-session email summarising key takeaways, suggested resources, and your personalised action plan.
- Additional contact outside of this process is not included unless specified in the future coaching program.
